Testimonials

My company sales in this area continue to improve with the competitive prices and great quality. Thanks guys!!

Bob - RWA Shipping

We are the ONLY extruder, converter & printer of stretch film in the US which allows us to be very competitive as well as custom make stretch film for any application.

[Coming Soon](#)

We are also the leading provider of converted stretch films, gloves & safety, re-closable poly bags, tapes, mailers, packing slip envelopes, labels and other related packaging items.
