

Product Data Sheet

General Masking Tape

Product Description:

This general-Purpose masking tape has been designed for use as a utility grade crepe paper masking tape for non-critical applications. An excellent room temperature product which primary use includes packaging, bundling, labeling and numerous other applications where a pressure sensitive tape is needed. Designed for indoor use only and should not be subjected to outdoor exposure or prolonged sunlight as it may become difficult to remove. It is solvent and thinner resistant. Not suitable for spray painting, oven baking applications and is not recommended for exacting industrial masking.
