11. Stability and Reactivity	Data:							
Stability:		Stable						
Imcompatibility-Materials/Conditions to Avoid:		None known						
Hazardous Polymerization:			Hazardous polymerization will not occur					
Hazardous Decomposition Products:			Combustible gases when exposed to temperatures over 300° C (572° F). Carbon Dioxide, aldehydes, and carbon monoxide possible.					
12. Toxicological Informati	on:							
SARA Title III:								
Section 302 Extremely Hazardous Substances:			This product does not contain any extremely hazardous substance as defined and listed in Section 302.					
Section 311/312 Hazardous Categories:		This product is not reportable as a hazardous substance.						
Section 313 Toxic Chemicals:		This product contains no toxic chemicals above the de minimis levels.						
RoHS:		This product contains no toxic chemicals above the de minimis levels per European Directive.						
CONE3 Heavy Metals:		This product does not contain Lead, Mercury, Cadmium, or hexavalent Chromium above the levels regulated by the CONEG model legislation.						
TSCA Inventory:		All ingredients are listed in the TSCA inventory or are exempt from listing.						
Clean Air Ozone Depleting Chemicals:		This product was not manufactured using Class I or Class II Ozone Depleting Chemicals.						
13. Ecological Information:								
Persistence and Degradeability: N/A								
Bio-accumulative Potential: N/A								
Mobility: N/A								
14. Disposal Consideration	s:							
-			nerate in an industrial or commercial facility.					
Disposal Alternative: Recyc			rcle, bury in landfill, or burn in adequate incinerator in accordance with applicable local, state, and federal lations.
