2022

Switched to 100% Carbon-Free energy

2022

Operations begin in our new factory

2023

Towel & Tissue line is introduced

Our mission:

**"To provide our customers with
the best quality-to-price ratio
possible, superior products and
excellent customer service."**

What We Offer

Quality

Excellent quality, competitive prices and superior service under one roof.

Convenience - Warehouses in OH, FL, IL, TX & ONT

Our customers can expect their orders to be shipped within 1-2 working days on most stock items, with no minimum order requirement.

Value

All our products are competitively priced, and we offer volume discounts.

Selection

Over 2000 SKUs in stock, with confidential drop shipments and private labeling available.

Customization

Need something special? In addition to in-house custom printing, we can make any width, length, gauge and color of stretch film on various kinds of cores.

Ship right with Wrap-Tite.

What We Offer

Market Knowledge

Our team is well-versed in the global marketplaces for each of our product lines, not to mention the various applications of our products, including window/door, extruded pipe, nursery/plants, laundry and landscaping/mulch.

Technical Support

Our highly-trained technicians are available to travel with our sales reps to carry out end-user testing trials.

Capacity

In addition to continuous testing and improvement of our stretch film, we always aim to meet demand by increasing our machine capacity and capabilities and recycling our industrial waste.

Ship right with Wrap-Tite.
